GOALS

The oh so famous interview question answered in infographic form...

“How to Make a Peanut Butter and Jelly Sandwich”

The objective of this brochure is to demonstrate the ability to explain how to perform this simple task. Using 6-8 steps I will outline how to prepare the sandwich, using images and written instruction that is easy to understand and follow. In software support and some technical jobs, this question is often used to demonstrate the ability to explain a solution to the end user.
